Ri3D AT UF / 2027 SEASON

FINANCIAL SPONSORSHIP

PARTNERSHIP LEVELS & BENEFITS

Ri3D at UF is a student-led robotics organization. Each season, our members design and build a robot prototype in 72 hours and publish engineering resources for high-school FIRST Robotics Competition teams.

INCLUDED WITH EVERY FINANCIAL SPONSORSHIP

Linked recognition in our website sponsor section / Permission to use the Ri3D at UF club logo to acknowledge support / Annual season impact summary

SPONSORSHIP LEVELS

Benefits are cumulative

LEVEL	CONTRIBUTION	ADDITIONAL BENEFITS
Supporter	$250+	All standard benefits listed above.
Community Partner	$500+	Group social media sponsor acknowledgment; included in our public end-of-season sponsor thank-you.
Innovation Partner	$1,000+	Logo on robot and team apparel where feasible; sponsor credit in the primary build recap video.
Impact Partner	$2,500+	Featured placement in the website sponsor section; individual sponsor spotlight; one tailored opportunity.
Premier Partner	$5,000+	Priority robot/apparel logo placement; individual video acknowledgment; two tailored opportunities; option to discuss additional, unlisted benefits.
Presenting Partner ONE SPONSOR PER SEASON	$10,000+	Exclusive designation with “Presented by [Company]” on applicable season materials and primary videos; highest-priority sponsor placement; all three tailored opportunities; option to discuss additional benefits.

TAILORED SPONSOR OPPORTUNITIES

Impact: 1 / Premier: 2 / Presenting: all 3

ENGINEERING TALENT ENGAGEMENT

A technical or recruiting discussion with interested Ri3D at UF members.

SPONSORED STEM SHOWCASE

A coordinated robotics demonstration and engineering Q&A for an agreed audience.

CORPORATE IMPACT CONTENT

Selected project photos and a brief written impact story for company communications.
